As of Harvest Feast we will have 2 new unofficial positions of Head Chef's filled by Merlyn and Mykel. Thanks to them for doing all the cooking these past few years!

Next year marks the 950th Anniversary of the Battle of Hastings and the Battle of Stanford Bridge so Autumn War will be themed Norman vs Anglo-Saxon. I call forth the mighty warriors of the Barony to fight against Count Styrkarr Jarlsskald's army. We will have many activities planned including tourneys, bridge battle, and children's activities. There will be an arts and sciences competition based on the Bayeux Tapestry.

We need your taxes to reward those who deserve recognition.

Please continue to encourage Baron Yusuf as he resumes testing on November 1st and 14th.

Demo Tourney - October 25th 1:30 pm Wapato Park at I-5 and 72nd will be ~~The Baroness Birthday Bash~~ Beat Cancer with a Stick Tourney. Modified round robin all weapon styles. May be in combination with Connor Hume Memorial Tourney. Her Excellency, Baroness Maricka will be making black and pink valkyrie bags with the proceeds to go to Her Ladyship Sophia Francesca Bruno who is giving fierce battle to cancer.

Daffodil Parade - Need to see if there is enough support to do a demo on April 9th the same weekend as Baroness War. There is a \$25 entry fee to the parade so we need to know ahead of time if there are people willing to come in garb and armor, hand out pamphlets. Contact Domhnall.
