

The Blatherings

Fall AS L (Gregorian 2015) The Barony of Blatha an Oir

Words from Their Excellencies Hengist and Maricka:

Greetings unto the populace of the Land of the Golden Blossom,

The Barony continues to prosper, especially after our most Recent raid to the lands of the Franks. Autumn war seemed to be a big hit this year, and we've had more people come than in some time.

We have heard nothing but good about it. Thank you to the Steward team, and all the volunteers.

I would also like to thank Sir Gernon for being our opposition this year.

The leaves are turning and the time for harvest is upon us. Let us look to one more weekend of Martial and A&S trials at Lord Defenders at Last chance.

A combined event with the Barony of Dragonslaire. What a wonderful opportunity to show off how great we are and to see how wonderful they are.

As we think of things less martial, let us not forget harvest feast.

A time to show off our best clothes and what we've been doing this year.

Remember, taxes are due. How else can we continue to raid?

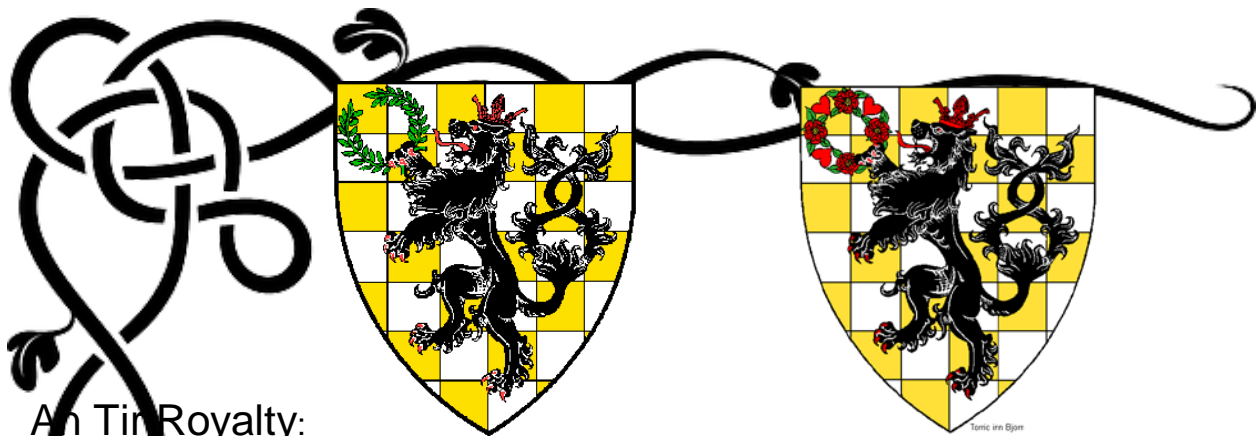

We will also be doing a good and toy drive again.

Lastly, let us not forget Sergeantry trials. Come out and see what it takes to become a Sargent or help test. It is a very exciting time for us, and it honors us that people would step up to this role.

We wish you well.

Harvest Feast

October 24 @ 12:00 pm - 10:00 pm | \$25

The time of Harvest has arrived and with it taxes are due to the just, honorable, and rightful rulers of Blatha an Oir. Their Excellencies Hengist Helgessone and Maricka Sigrunasdotter have traveled to the Near East where they observed the rich giving gold and silver coins, heroes and warriors giving horses, and others giving gifts simple as apples. Those with good fortune would help those in need. These gifts to the court show the generosity and kindly spirit of the Barony, and by doing so the court returns these ideals in kind to those who may have need. Suggested items can be found on our [website](#).

There are a limited number of seats available so please register early. Pre-registration will be open September 1 through October 15, 2015 and will be required for the feast. Forms may be found on the Blatha an Oir [website](#)

Welcome back to Bealidh Pursuivant's Corner!

So you have your name all ready to submit, right? Good because you cannot register a heraldic device without a name. Now let us work on your device. Historically and in the SCA, your device or arms is like your personal logo. Its purpose is to allow your friends, or even your enemies, to identify you from a distance. Since the main purpose was identification it became very important that no two people had the same arms registered. This is why the College of Arms came to be and why the SCA adopted our own College to ensure that each person have their own individual device.

A heraldic device is composed of different charges (objects, creatures, geometric shapes) arranged on a field (background). Good devices are simple yet memorable. They have easily identifiable charges and have high contrast-like street signs. You can begin by placing a few charges on a triangle-shaped shield. Then start by pick two colors (red, blue, green, black, and purple) and one metal (white/silver, yellow/gold) or fur (ermine, erminois, vair). Play around with the arrangement of the charges and the colors.

Once you have your idea get together with your herald, or drop by a "Heraldic Consultation Table" at any event which has one. (HINT- There will be one at 12th Night and one at Ursalmus!) After your herald has conflict checked your device to make sure it looks legal and unique, make sure **you** like it. Put it up on your refrigerator, or in your office, for a few weeks. If you're still as happy with it afterwards, mail it in or give it to the heralds to begin the process of "registering" it, so it can be uniquely yours in the SCA!

Yours In Service,
Sayyida Zahra bint al-Rammah
Bealidh Pursuivant

Gold Key: Lady Aleksandra Grozkaya- One person garbed at Embers & Ambrosia, another person looked. We have a need for lighter weight garb. The fabric we currently have is heavy weight. Five youth/teens for the clay lantern class. Parents were impressed. Students did more than one. No one showed up for finger puppets. Might be due to a house call, the youth had to go home early. Old Business:

- **Autumn War** – Big thanks to The Tribe everything was handled and no emergency vehicles came! It was a real pleasure to do. Final count is either 1002 or 1020 will be counting one more time. Only complaints were 2 people about walking to war field. We had one 30' road and the rest were 17' to accommodate more camp space but it was noted that some people had a hard time driving around the corners.

New Business:

- **Lord Defenders/Last Chance** – site opens at 3pm; the site is paid for; 98 spots in hall to camp but things need to be removed by 9am; no longer accepting camping reservations; there is overflow parking 2 blocks up the road at the Longbranch Church --- please bring canned good item to donate to Church; 9 RV and quite a few large encampments have contacted us; Ellisif the deputy seneschal will be on-site. - **Harvest Feast:** Pre-registration closes 15th with only 120 spaces so register early. Cost is \$25 plus NMS we are allowing off board for a different price. The men of the tribe are putting together a Middle Eastern cuisine/Persian.
- **Castle vs Hay Bales:** There was lively discussion on saving money on buying hay bales by resurrecting the castle. There is a trailer with no brakes that can be picked up in the same area as Lord Defenders will be. Some background was given (paraphrased here) there was a lack of people to maintain the castle, store it and transport it. It was agreed that we could put the call out to see if anyone would step forward. Another option is to rent the one Stromgard has.
- **Raising Money:** Fundraisers have to be approved by the Financial Committee; donation jars can be put out for instance at fighter practice; we can have a feast for the public and charge for it. It was unclear if we can have a raffle and it was decided to follow up by finding out how other groups are doing it.
