

The Blatherings

summer AS LI
(Gregorian 2016)
The Barony of Blatha an Oir

Words from Their Excellencies Hengist and Maricka:

Greetings unto the greatest Barony in the known world.

Summer is waning. Autumn War is on the horizon and the season of change is in the air.

Our time as Baron and Baroness of Blatha an Oir is almost at its end. Our three year term being completed at Autumn War.

In the past three years Blatha an Oir has seen a lot. We started out as Baron and Baroness with a flooded out Autumn War. Then we, over the past years have lost four beloved populace members of the Barony due to health issues. Great sadness fell upon these lands. Us personally we lost four close family members and one beloved fur baby.

During this time we all came together and in spite of the peril and sadness we grew. We thrived. We have many new populace members, new households, old household refreshed and renewed, wonderful officers, amazing event stewards, all the things!

We reorganized, completed daunting tasks together. Grew events to new numbers. We feasted. We laughed. And we cried. Together as an extended family that we all call Blatha an Oir.

All of this we did together out of love of this amazing Barony and this game that we play. We all continued this baronies efforts of moving forward and growing as a group.

In all of this we had some amazing things happen.

We had three and soon to be four new peers. One Knight, one Master of Defense, one Pelican and one Laurel (to be). The first time in our long history has this ever happened in a short amount of time. Four peers! Huzzah!!!

We also have a thriving sergeantry with four new sergeants in one year!

If that isn't enough, we also have the last white scarf ever made in the Kingdom of An Tir.

We foresee much more of this greatness happening in our baronies future.

Lastly, we were able to join hands and combine an event with Dragons Lair.

We warred tirelessly with Glymm Mere.

We have seen great numbers of attendance at Autumn War and now this year Embers. This Barony never ceases to amaze us.

We are so proud of every single person in this Barony. And it has been an incredible honor to serve you as your Baron and Baroness over the past three years.

We look forward to the future with bright eyes. Our successors Sir Gernon and HL Alyse are brilliant and capable next Excellencies and we can't wait to see what wonderful things they aspire, and inspire in this amazing Barony.

Blatha an Oir. We love you.

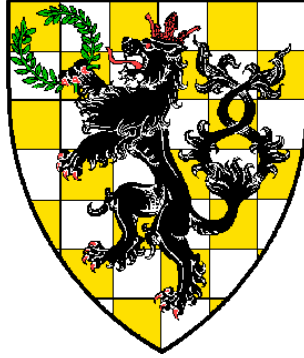

Thank you for the honor.

Welcome to Autumn War 2016!

A call to arms!

The Northmen have come to our shores to claim the lands and throne of England led by Baron Hengist Helgasson (aka Harald Hardrada). Count Sir Styrkarr Jarlsskald (aka Harold Godwinson) has called forth his Saxon warriors to meet him in battle...to fearlessly face the Raven feeder head on and keep he and his bloodthirsty warriors at bay.

Come join the Baron of Blatha an Oir as we celebrate the 950th anniversary of Harald Hardrada's attack on England and the Battle of Stamford Bridge. This five day event will include fighting (both heavy and rapier), archery, arts and sciences competitions, Thrown Weapons, brewing contests, siege cooking competition, Iron Needle contest and much, much more!

Site Fee: \$30 for the five day event or \$20 for one day. Children up to 17 years old are going to be guests of the Barony of Blatha an Oir. SCA Members receive a \$5 discount.

Site opens Thursday August 17 at 11am for merchants only and 1pm for the populace. Site closes Monday August 22nd at 3pm for EVERYONE.

If anyone has any newspaper articles about our barony or its members please consider sharing them on our website. Audny can do Wiki.

Chamberlain: HL Jazod Felygo- Everything came back from Embers & Ambrosia nice and packed. Please give me 2 days notice if you need something. Also, please let me know if you have any baronial property.

march south to stomp them AGAIN! I will have to place my hob nailed foot on their NECKS!

Please sign up at gate, cook bacon, marshall, or any volunteering to help us get War Points. Our brewers are brewing 10 gallons of beer for war.

Sir Morgan will be at practice next Tuesday to take pictures of An Tir fighters. If you would like to be recognized on this webpage please come in your best armour.

Sir Aleksii is asking for volunteers to be in a Dune themed War Video to do before Honey War.

Embers & Ambrosia, Daffodil, Celtic Bardic Event: We had 158 Adults present. There was \$1000 site fee, \$90 for straw, \$5 copies, and some other miscellaneous things and we still made \$1720 profit. There was lots of excitement about next year. I recommend keeping the events together next year.

Award Charms: Call for someone that can do casting to make our daffodil and briar award charms. OR If you have any ideas please let the Baron & Baroness know. We are thinking possibly doing medallions in the same style as Kingdom? This would be viable price-wise and would work well as a back-up. We need to get something figured out by June Business Meeting. We hope to beta test a chat feature to RESPECTFULLY discuss this on the baronial webpage.

Autumn War: coins have been ordered and are being worked on right now; garbage contract signing tomorrow; biffy contract is done, the website is mostly up; & PRE-REG is set up.

We are resuming discussion with Longbranch.

The Swiss Sportsman Club is changing its policy. They will be requiring a member of their club that is a male with Swiss blood. To be a member you have to attend meetings, volunteer work hours, and \$300. Barony may be able to assist with part of \$300.

Audny is heading up a subcommittee to have an event that is youth focused – perhaps teaming up with neighboring baronies. Please contact her if you are interested in this idea.
