Web Master: Baron Sir Aleksii- Website was down for two weeks. Due to the increasing number of outages of the An Tir server, I will look at finding one that is more reliable. Other baronies have already made the move for the same reason and I believe it is time we begin looking for another option. We may try to bundle with our existing GoDaddy service for a discount. Pages for Sargentry have returned however, there is data missing from other files. Autumn War has been updated and preregistration is available. Exchequer will check surrounding baronies for input on services and prices.

Chamberlain: HL Jazod Felygo- Baronial Tent update; working on taller ridgepoles. We also need to decide on where to park the trailer long-term and when we are going to transfer the load. Sending out a call for new or slightly used water coolers and plastic folding tables. We currently need 2-4 for A&S and one for water bearing. Lord Magnus has four plastic folding tables that he is willing to sell for \$100. Seneschal calls for a vote to purchase 4 tables from Lord Magnus for \$100, measure is approved.

Baron Gernon & Baroness A'yse- June Fair's silent auction and a wager between the rapier champions totaled \$2,100 in donations to the barony. Amazing amount of donations for the auction table. Overwhelming support from our populace and the surrounding baronies. These funds will enable the barony to buy and replace many of the items that were stolen. We eagerly anticipate Honey War so that we may fill our chests with even more riches!

Seneschal: HL Ellisif Leifsdottir- Harvest Feast will be run by Mickel of Morganwc and Lord Magnus as event stewards, the theme will be based on whomever wins Autumn War, they promise no snails will be served. Accepting bids for all other 2018 events.

Autumn War!

Chamberlain is missing his notebook with Autumn War notes, schedules, and numbers in it. If officers or volunteers receive a call please, get it back! No checks were within the notebook and the only receipt lost is recoverable. Regarding Nix's ranch, insurance and garbage payments have been sent, with the down payment due July 10<sup>th</sup>. Still looking for volunteers to help support the event (Gate, etc) which will be posted. Everything is moving forward. Parking will be in the rear near the dumpsters, overflow parking will be back by the field and

overflow camping will be in "Cowtown." Reserve early and don't overbook your land reservation! Gate will be in the same spot. In addition:

-War-points will be available for volunteer work, brewing, thrown weapons, archery and bardic (send Exchequer a PM).

-21 merchants confirmed including the vendor who was selling turkey legs at June Fair. Twenty-five merchants expected in all!

-The men of the Tribe have announced that the victor of Autumn War shall be gifted a theme in their honor at this coming Harvest feast! The feast will be gluten and snail free per populace request.

Master Sven is looking for populace interested in demoing the Highland games. A great alternative if you cannot attend Autumn War.

Bardic Champion Andromacha Tou Lesvos- I will not be able to get to Autumn War until Friday night, would like to get the bardic community together and perform Saturday night. Would like bards working for war-points during the event. Contact me with any ideas.

Hello! In an effort to increase bardic participation and collaboration, my home will be open every 2<sup>nd</sup> and 3<sup>rd</sup> Thursday for Bardic research/practice (research on the 2<sup>nd</sup> with the 3<sup>rd</sup> reserved for party/fun-time). I will post to Facebook and bardic page the invite. My goal is to get baronial participation at Kingdom bardic (single entry).
