Chronicler- taking notes

Webminister- Nothing to report

Arts and Sciences- Lots of sewing attendees. Culinary was this month. We had teachers at Collegium. Maihre became the Kingdom Bardic champion.

Scribe- Scribal night continues with three to seven attendees. One special charter is in Molly's hands. Charters were handed out at Harvest Feast. There is a new deputy. We need to get a head start on designing charters for the new Baron and Baroness.

Chatelain- Donny stepped down last month. Francisca stepped up this month into the position. Donny will remain as the deputy.

Gold Key-I've been your Goldkey deputy officer for about 4 years or so now, and the deal was that as long as I could lift the boxes and make sure it got to events, I was ok with storing or taking care of it in perpetuity.

However, I'm about 4 months pregnant and my reliability on these things will only decrease as time goes on and our bundle of joy arrives, so at the next business meeting I plan on bringing the last of the items I have with me and turning it over to be stored or, even better, handed over to someone who can take the reins.

Our barony needs a goldkey officer! Someone who can bring items to events occasionally, possibly store a box or two and arrange for the rest of it to be transported when needed, and clean what is used (which isn't often but when a newcomer wants to fit in it really helps people). Sewing skills are helpful but not required, as you can always ask one of us who does to do any repairs.

I love serving this barony but I don't know if I can reliably get things to where they need to be, so I need to step down and away on maternity leave for a bit.

Yours in Service always!

HL Audny Refsdottir

Hospitality- Please bring snacks to Seasons Beatings.

Family Activities- Open

Past Events-

Harvest Feast- It's done. Went okay. Need final financial numbers still. Desert auction made \$669

Future Events-

Candlemas- Gearing up. Have site token ideas. Site will have a country picnic theme. Working on A&S classes and sewing circle. It will be at Dryers hall.

Sargents Trials- Looking at October 2nd 2019 for the date

Their Excellencies- Harvest Feast was fantastic. We had a great time. Everything was great. Toy table was full, food donation table was full. We announced that we are stepping down at Autumn War.

Seneschal- In regards to couples running for Baron and Baroness I need to talk to Their Majesties at 12th Night. Usually it is March or April for the couples to announce their intent to run. They need a personal and SCA resume. It will be sent to the current Excellencies and the Seneschal. A meet and greet is then scheduled followed by a polling. The change over traditionally happens at Autumn War dependent on Their Majesties.

Looking the having the December meeting at Dryers hall to allow for snacks and party
